## *An introduction to our wine selection*

The motivation to present the wines from Spain and Australia in a unique essential list, stems firstly from our love for good wines, but also from you our clients, who frequently confess “to knowing just a little about Spanish wines”, we will fill that gap by providing some short clear information about the wealth of the varieties of the Spanish wines. Spain major wines region are 5 exactly like Australia, we selected wines from each major regions of both country in a good short selection.
